

# PRESERVING PRIVACY

***HERITAGE CERAMICS' COMMITMENT TO  
PROTECTING OUR CUSTOMERS' DESIGNS***

STUDIO - BERLIN IVORY

**At Heritage Ceramics, we understand the importance of privacy and respect the artistic integrity of our customers.**

**Our commitment to safeguarding your designs and personal information is unwavering.**

**This article delves into Heritage Ceramics' comprehensive privacy policy, outlining how we prioritize the confidentiality of your designs and ensure a secure experience for all our valued customers.**

## **1. Confidentiality of Customer Designs**

**We assure our customers that their designs are treated with the utmost confidentiality.**

**Heritage Ceramics will never share, sell, or distribute any design submitted by our customers without their explicit consent.**

**Whether it's a unique pattern, custom artwork, or personalized specifications, we respect the ownership and exclusivity of your creative expressions**

## **2. Secure Data Storage**

**To ensure the security of your designs and personal information, Heritage Ceramics employs advanced data storage and encryption technologies.**

**Our robust systems are designed to protect against unauthorized access, ensuring that your designs remain confidential throughout the entire process, from submission to production.**

### **3. Limited Internal Access**

**Access to customer designs within Heritage Ceramics is limited to authorized personnel who require it for production purposes.**

**Our employees undergo rigorous training on data privacy and confidentiality, emphasizing the importance of maintaining the integrity of our customers' designs.**

## **4. Third-Party Interactions**

**Heritage Ceramics may engage with trusted third-party service providers to facilitate certain aspects of our operations, such as shipping and delivery.**

**However, we ensure that all our partners adhere to strict privacy standards and contractual agreements that prohibit the unauthorized use or disclosure of customer designs.**

**Heritage Ceramics takes the privacy of our customers' designs seriously.**

**Our unwavering commitment to confidentiality, secure data storage, and limited internal access underscores our dedication to maintaining the privacy and exclusivity of your creative visions.**

**When choosing Heritage Ceramics for your ceramic design needs, rest assured that your designs are protected and your privacy remains intact.**
