# FJORD

inspired by nature

This exquisite design seamlessly blends the timeless elegance of limestone and sandstone, skillfully capturing the organic undulations reminiscent of ocean waves.

The meticulous craftsmanship not only portrays the rugged beauty of sea rocks but also artfully conveys the nuanced textures of erosion and weathering.

Ceramics + Porcelain

Offering a range of premium quality tiles, Space was designed to meet the needs of architects, developers and interior designers who look for aesthetics and quality. The brand, with its very own selective collection, is an innovation of Heritage Ceramics. It is also the first tile brand in Singapore to be awarded the Green Label certification by the Singapore Environment Council.
