Sculpting Elegance in Stone: Studio Classic's Vein-Cut Travertine Tiles Tell A Timeless Story

INTRODUCTION

GLAZED PORCELAIN

Studio Classic

Journey through the ages with Studio Classic, an embodiment of the enduring charm of vein-cut travertine, cherished since the times of Ancient Rome.

Each tile in this series is a true masterpiece, featuring an exquisite array of 9 unique faces and a V2 slight variation meticulously designed to ensure that the natural veining cascades gracefully across every surface, weaving a natural and enduring visual tapestry that carries the essence of centuries.

Designed in 4 exquisite shades – Light, Silver, Beige, and Grey, Studio Classic empower you to harmonize your space with the perfect colour, imparting a touch of sophistication to any project. The 60x120cm format is tailored to help you achieve even more visually stunning and harmonious aesthetics, providing the perfect canvas for your design aspirations.

The Classic Series offers a choice between 3 distinct finishes -Structured R9, Lappato, and Polished, granting you the creative freedom to redefine your design visions as you see fit. Moreover, boasting a low water absorption rate of less than 0.5%, it unveils limitless possibilities for your design ambitions.

Explore the Studio Classic Series and discover a journey through time in every tile.
