

STUDIO CERAMICS

SILVERSTONE

A Collection Of Tiles Radiating Pure Sophistication
And Elegance.

INTRODUCTION

Studio Silverstone

An effortlessly chic looking design fashioned from the silver travertine stone – a type of limestone from natural sedimentary rock that is mostly found in Italy.

Studio Silverstone boasts 9 distinctive faces, forming a natural yet dynamically artistic space. Whether tiled on floors or walls, Studio Silverstone presents 2 distinct surfaces – Matt R10 and Lappato – along with 3 captivating colors – Bianco, Grigio, and Anthracite.

This versatility empowers you to recreate your envisioned masterpiece, imparting every room a demure and sophisticated aesthetic.

Tailoring the look to your preference, Studio Silverstone offers 3 formats – 60x60cm, 30x60cm, and 30x30cm, allowing you to play with different levels of sophistication.

Beyond aesthetics, Silverstone's low water absorption rate of less than 0.5% ensures a harmonious blend of practicality and elegance.

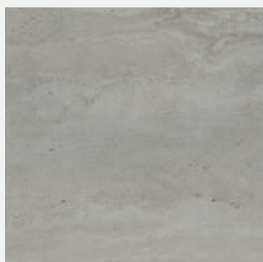

Embark on a journey to explore the charm of Silverstone and bring your design dreams to life.

silverstone bianco

The timeless neutrality of Silverstone Bianco invites a seamless fusion with diverse design aesthetics, ensuring a sophisticated and elegant ambiance.

The graceful flow of cream veins on the Silverstone Bianco brings a distinct elegance, elevating your space to a whole new level.

silverstone grigio

Characterized by its exquisite grey and silver veining, Silverstone Grigio turns any space into a visual masterpiece.

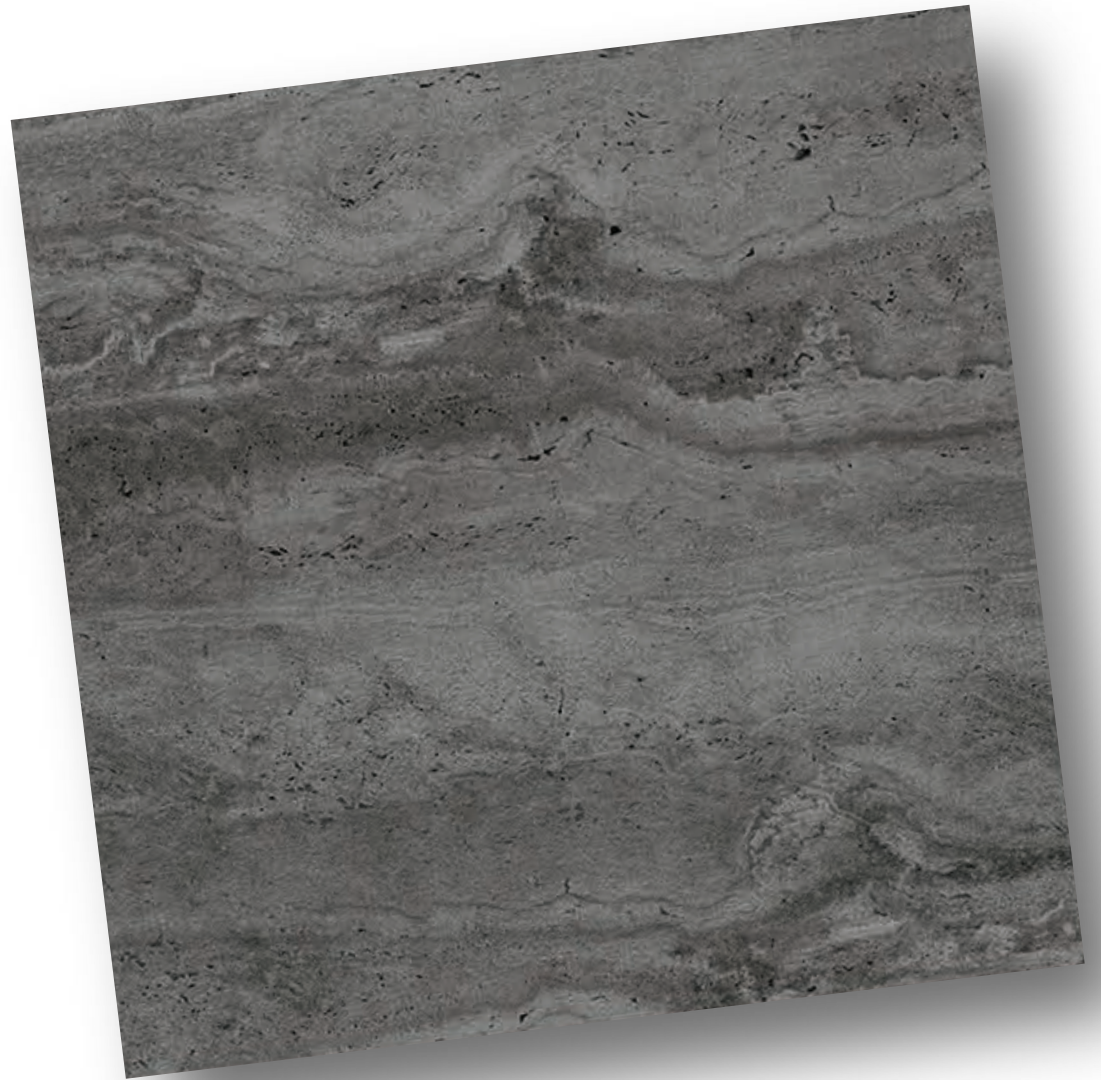

silverstone grigio 9 faces

Silverstone Grigio's charm lies in its ability to effortlessly convey a neutral yet luxurious ambiance within any setting.

silverstone anthracite

Silverstone Anthracite's mesmerizing mix of dark and light grey veins crafts a powerful, luxurious narrative in your living spaces.

silverstone anthracite 9 faces

Create a lavish setting with Silverstone Anthracite, the epitome of bold sophistication.
