# 2024 PRODUCT RANGE UPDATE

# THANK YOU!

Hey there! **THANK YOU** for making the past 7 months so fulfilling!

To our long-time customers, your continued loyalty means the world to us. To our new customers, we sincerely thank you for trusting us and giving us the opportunity to serve you.

As we enter the third quarter of 2024, we want to share the latest updates on our product range with you.

# COMMITMENT TO INNOVATION.

During our new product launch in April 2024, we were thrilled to introduce new collections to our Studio Series, and we deeply appreciate the positive response we received from you.

Our commitment to innovation remains steadfast. Following April's product launch, we have continuously been working on expanding and enhancing our product designs. Our goal is to provide you with a broader range of options to meet your diverse project needs.

## PRODUCT RANGE ADJUSTMENTS.

To accommodate new collections, we had to make the difficult decision to remove certain products from our regular production.

**Please refer to the table on page 4 for the list of products that will no longer be in our regular production.**

## ENSURING YOUR SATISFACTION WITH HERITAGE CERAMICS.

At Heritage Ceramics, we are dedicated to meeting all our customers' needs and ensuring your satisfaction. While these products may no longer be part of our regular production, we are open to discussing your specific requirements.

If you wish to incorporate any of these products into your projects, please do not hesitate to reach out to us. We will gladly discuss how we can accommodate your request.

We appreciate your kind understanding on this matter, and we are committed to providing you with a seamless and exceptional experience.

## STAY EXCITED.
